- IV. Public hearing to determine if the property located at 105 N. Oregon Street, in the City of El Paso (legal description on file with the City Clerk) is a fire and safety hazard, and a nuisance and whether the same should be repaired or demolished. First investigated November 10, 2009. The owner Caples Land Company, LLC, 105 N. Oregon, Avenue, El Paso, Texas 79901 (the "**Owner**"), has been notified of the violations at this property.

Bill Stern, Chief Inspector, presented the item.

Lt. Frank Guillen, Fire Marshall, was present for discussion. As of March 31, 2010, fire sprinkler system has not been up to code and there is no fire sprinkler system monitoring.

William Abraham, owner, was present for discussion. He is asking the commission for 60 days to address the maintenance issues.

Enrique Esteves, UPS owner, was present for discussion.

Motion made by Kenneth Walters, seconded by Robert C. Filarski to accept staff recommendations, unanimously carried.

The owners have been notified of the violations at this property, to date there has been no response or corrective action taken, and therefore the department recommends that be found:

1. That the structure is substandard; and
2. That the structure is not in substantial compliance with the municipal ordinances regulating fire protection, structural integrity, and disposal of refuse; and
3. That the structure can be rehabilitated; and
4. That an electrician be hired to evaluate the entire electrical system and make the required repairs and remove all non permitted or illegal wiring, equipment or distribution systems within sixty (60) days; and
5. That a contractor be hired to repair all noncompliant plumbing installations and repair the required restrooms, install a ventilation system in the restroom and provide access from all occupied tenant spaces to the restrooms within sixty (60) days; and
6. That all non permitted installations of partitions and ceilings be removed within sixty (60) days; and
7. That all non permitted mechanical systems be removed within sixty (60)days; and
8. That all broken window glass be removed and the openings be protected by covering with plywood within sixty (60) days; and
9. That all components of all egress paths shall be restored to the required rating and the required panic hardware be installed within sixty (60) days; and
10. That all non permitted storage and accumulations of materials, articles, trash and debris be removed within sixty (60) days; and
11. That the fire code violations listed in the Fire department correction notice of January19, 2010 be corrected and the fire escape be repaired; and
12. That if the requirements of #4 through #11 are not complied with within sixty (60) days the structures certificate of occupancy be revoked and that the structure be vacated; and
13. That the structure be secured and maintained secure until rehabilitated; and

14. That upon failure by the owner or any other interested party to comply with the order of the Building and Standards Commission the City may take whatever action is necessary to bring the property into compliance, and place a lien on the property for the work which will be done by the City.

- V. Public hearing to determine if the property located at 1701 N. Stanton, in the City of El Paso (legal description on file with the City Clerk) is a fire and safety hazard, and a nuisance and whether the same should be repaired or demolished.
